

# Make your own Monster Bookmark

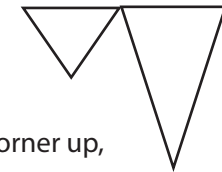

Tongue

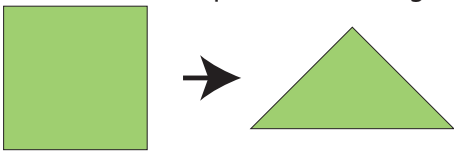

Eyes

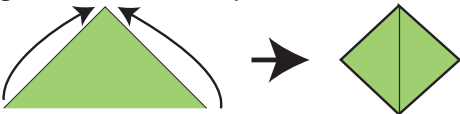

Teeth

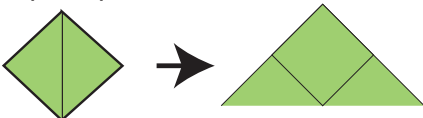

1. Cut the green square, pink tongue, the circle eyes, and zig zag teeth.
2. Fold the Green square into a triangle and crease it.

3. Fold the left corner to the top and the right corner to the top and crease it.

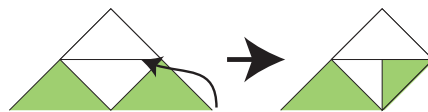

4. Open up the two folds.

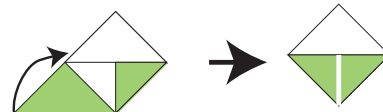

5. Fold the top edge out to the bottom center to create a white diamond.

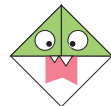

6. Fold the right corner up, and tuck it into the paper

7. Repeat step 6 with left corner and tuck it into the paper

8. Paste the eyes on top of the green and the teeth inside the fold. At last paste the pink tongue inside.

9. Put it at corner of your book and use as a bookmark.
10. Make your own animal designs and post on our facebook page.
